

TOWN OF NORTHFIELD, VERMONT
NORTHFIELD ENERGY COMMITTEE -- Minutes
Tuesday, July 21, 2026 7:00 P.M.

1. Attending: J. Wantuch, P. Meehan, G. Hall
2. Approval of minutes: 5/19/26 (7:05pm)
3. Updates and check ins.
 - Chandler Murch has resigned from the NEC.
 - Joe Wantuch's last NEC meeting will be 8/18/26.
 - Future organization and tasks for NEC will be determined in August.
 - NEC needs support in recruiting new members to sustain the committee's work.
4. EVT Walkthroughs, Next Steps
 - Joe will compile Walkthrough data as submitted to Brad at EV.
 - Patrick will organize the data and share it with NETS leaders (Debbie and Jared).
 - Future implementation of EV Walkthrough suggestions is the decision of each business owner.
 - NEC's next steps in this initiative are to be determined at next meeting.
5. Peak Busting
 - Possible future NEC project is enlisting community support for Peak-Busting initiative.
 - Members of a Peak-Busting Network would minimize energy use during times of peak demand to conserve energy.
6. Transportation kiosk
 - Town Manager Mary Smith met with NEC member and has the kiosk 'on her radar.'
 - Foundation cannot be poured until temporary roadway for dam project is complete and bridge work is done. (Perhaps Fall 2027)
7. Adjournment: 8:00pm
