TOWN OF NORTHFIELD, VERMONT
NORTHFIELD ENERGY COMMITTEE
Minutes of March 18, 2025

Called to order 7:03 PM

1. Attending: J Wantuch, P, Meehan, G. Hall, S. Bannister, C. Murch
2. Public Participation: None
3. Approval of Minutes (Feb 18, 2025) 7:07 PM
4. Recap of the month (Selectboard meeting, Town plan meeting, La Panciata visit)
 - Received positive feedback on Select Board presentation (Joe did a great job!!)
 - Advised to connect with Utilities Commission
 - Joe attended TENS Resource Sharing Session—found it to be informative, will attend again
 - Several Vt. Towns represented (Middlebury, Williston, Bristol, Manchester)
 - Town Planning Meeting with Debbie and Jared
 - NEC encouraged to integrate TENS possibilities into current process thinking for existing Town culture
 - NEC awareness can facilitate TENS connections within Northfield Town Committees (based on existing Town Plan)
 - Joe encouraged NEC members to attend La Panciata tour at 10:00 on April 11.
5. Meeting with Northfield Utilities Commission
 - Joe will check with James Russo re: conversation with Utilities Commission at their April 7. meeting
6. Funding Results
 - Sheila and Gail will seek grant opportunities, reflecting Pat’s insight of finding technical (engineering) assistance to project how TENS thinking might be incorporated into existing Northfield Town projects.
7. Meeting Speaker idea
 - Chandler will follow up to find engineer(s) who could provide us with creative ideas on how to support TENS initiative.
 - Joe will check to determine the possibility of a representative from Green Mountain Girls’ Farm addressing a future NEC meeting.
8. Public Participation (Unscheduled)
9. Adjournment 8:00PM
