2) Minutes from 8/19/25 approved at 7:09 pm

3) Public Participation: D. New

- Debbie New proposed that we participate in a meeting with regional representatives (RPP—Regional Priority Project) and (NBRC—Northern Border Regional Committee) to discuss a pre-feasibility approach for Northfield’s efforts toward energy efficiency.
  - Tentatively scheduled for November 13, 2025 at 10:30am.
  - Tom Davis will be invited.
  - Plan could involve a Catalyst Grant application for funds to support such a pre-feasibility study.

6) Creating an NEC Plan

- Sam discussed how NEC might approach local businesses and organize an Efficiency Vermont ‘walk-through’ to determine energy needs and potential energy cost savings for participating customers.

4) Northfield News Updates

- Joe will send us a draft of the News article that he and Sheila developed for our review.

5) Transportation Kiosk Update

- Gail and Patrick will be investigating the use of rust encapsulating paint to restore areas of the kiosk structure.

6) Meeting adjourned 8:00 pm.
