

TOWN OF NORTHFIELD, VERMONT
NORTHFIELD ENERGY COMMITTEE
Minutes of March 15, 2022

This was an informal discussion meeting, due to absence of some committee members.

Attending: Sarah Wolfe, Gail Hall. Allison Neal, Eliana Fox (Quorum not present.)

Discussion began: 6:00 PM

- a. Committee members welcomed Allison Neal and Eliana Fox.
- b. Eliana provided information re: the e-Bike project.
 - i. A Memorandum of Understanding will be sent to the NEC and the Town for approval.
 - ii. Two e-Bikes are scheduled to be in Northfield from June 23-July 28.
 - iii. The LocoMotion organization provides insurance coverage for the equipment and the participants.
 - iv. The NEC needs to determine where the e-Bikes will be housed, while in Northfield.
- c. Sarah attended the recent Utility Commission Meeting. The NEC is invited to participate in future discussion re: use of Federal Grant monies for Town resilience.
- d. Sarah will attend the April meeting of the BPL to discuss their energy campaign.
- e. The NEC has received notice from NU that the Kiosk will be installed on April 23, with possible official opening on May 17, in conjunction with the 2022 start of the local Farmers' Market. Discussion about info to be included in the Kiosk display cases will continue at the April NEC meeting.

No additional Public Participation

Discussion ended: 7:15 PM
