

TOWN OF NORTHFIELD, VERMONT
NORTHFIELD ENERGY COMMITTEE
Minutes of November 19, 2024

- I. Roll Call 7:00 pm
 - a. Attending—J. Wantuch; P. Meehan; G. Hall
- II. Public Participation (Scheduled): None
- III. Approval of Minutes from 11-19-2024 7:06 pm
- IV. Discussion
 - a. Thermal Energy Network
 - i. Community meetings during the last month
 1. La Panciata—Representative has signed the TEN interest agreement. Location has good possibility for heat exchange benefits.
 2. Darn Tough—Company representative is interested in possibly receiving heat benefit. Manufacturing operations will soon be centered at alternative site.
 3. Northfield Municipal Wastewater Facility—Plant generates minimal heat. Inflow material is mostly ground temperature. When future renovations occur, installation of a heat pump could minimize fuel costs.
 4. Good Measure—Representative is interested in the possibility of obtaining heat through a local TEN system.
 5. Grey Building—Representative contacted no response yet.
 - ii. NEC will make a report of findings and recommendations to Select Board.
 - b. Regional Wastewater Treatment Meeting
 - i. Upcoming Zoom Meeting scheduled for November 27.
 - c. Kiosk
 - i. Future location for the Kiosk was included within the plans of the Common Revitalization Committee as reported to the Select Board.
 - ii. Action on those plans is in the hands of the Select Board.
- V. Public Participation—none
- VI. Adjournment—8:00pm
