

Vermont League of Cities & Towns

# AMERICAN RESCUE PLAN ACT

2021

## What We'll Cover:

- Background
- Vermont's Share
- Final Rule Basics
- Timeline & Planning
- Spending
- The "Standard Allowance"
- VT and Nationally
- Public Engagement & Your Award
- VLCT and RPCs

- American Rescue Plan Act (ARPA) \$1.9 trillion stimulus package signed into law March 11, 2021
- Coronavirus State and Local Fiscal Recovery Funds ("CSLFRF" or "ARPA") \$350 billion for eligible state, local, territorial and Tribal governments
- Purpose To support governments in their response to and recovery from the COVID-19 public health emergency
- U.S. Department of the Treasury ("Treasury") will distribute the funding
- Final Rule, issued by Treasury on January 6, 2022 (replaces the "interim final rule") lays out the requirements of CSLFRF/ARPA funding

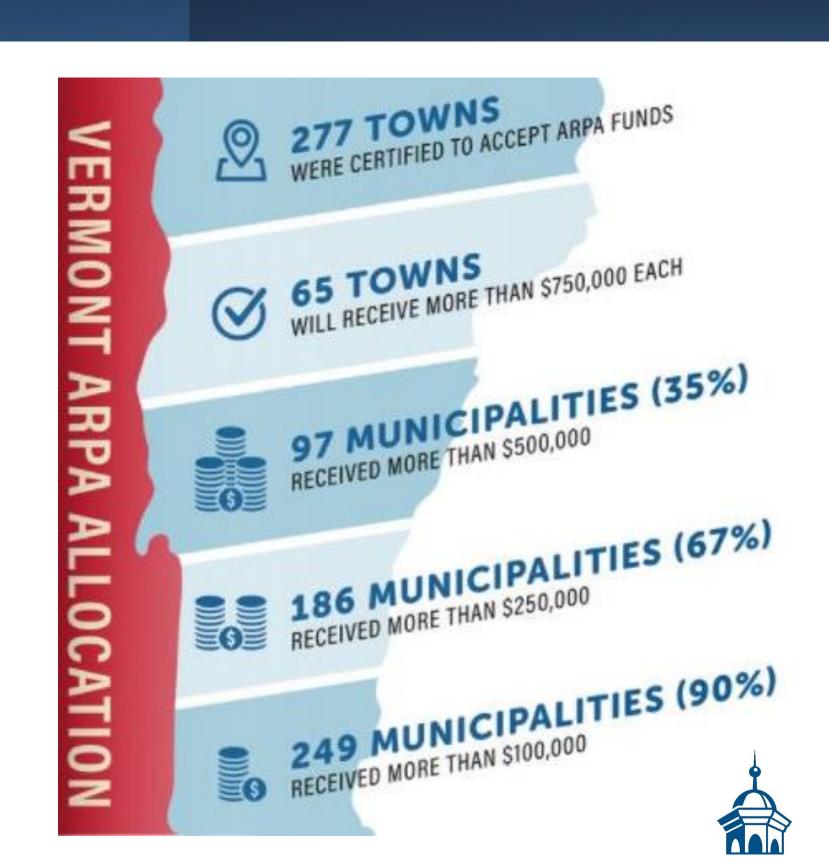

# American Rescue Plan Act

## ARPA - Vermont's Share

Local ARPA Funds:		
Metro Cities	\$20,721,902	
Non-Entitlement Units of Government (NEUs)	\$58,788,245	
Counties*	\$121,202,550	
TOTAL Local ARPA Funds:	\$200,712,697	
State of Vermont**	\$1,049,287,303	
TOTAL VERMONT ARPA:	\$1,250,000,000	

<sup>\*</sup> County money has been reallocated to municipalities. Payments (local and county) can be found by clicking <a href="HERE">HERE</a>.

<sup>\*\*</sup> Only half the State money has been allocated. The remaining half will be allocated during the 2022 legislative session.

# State ARPA Local ARPA Same Rules Apply

State and Local ARPA – follow the same timeline and rules (Final Rule)

**Timeline** – The Final Rule includes a specific schedule:

- 1st payment (local and county) August 2021
- 2<sup>nd</sup> payment (local and county) summer 2022
- All funds must be *obligated* by December 31, 2024
- All funds must be *expended* by December 31, 2026
- Any funds not spent by December 31, 2026, must be returned to Treasury

The final rule takes effect April 1, 2022; recipients can follow it now with no penalty

The final rule promises "streamlined reporting and compliance requirements."

# The Final Rule General Information

The *legislative body* of a municipality is the *ultimate arbiter* of how funds will be spent; there is no higher authority or approval process

All municipalities will be required to report on their spending directly to Treasury using an online portal

All municipalities, excluding Burlington, have an annual reporting schedule, due by April 30<sup>th</sup> each year, 2022-2027

# Planning Framework for Maximum Impact and Best Use of Municipal ARPA Funds

#### 1. PRIORITIZE GOOD GOVERNANCE

- Convene all Stakeholders & Build Consensus
- · Follow Allowable Uses Under ARPA
- Meet all Accounting & Reporting Rules
- Comply w/ all Local & State Laws/Ordinances
- Ensure Transparency Throughout
- Do Not Create Future Budget Deficits

#### 2. LEVERAGE YOUR ARPA AID

- Use a Thoughtful Strategic Planning Process
- Leverage w/ ARPA, FEMA & Other \$ Fed Sources
- Coordinate w/ Other State & Local Programs
- Collaborate w/ Community Partners & Orgs
- Use Existing Delivery Systems for Efficiency
- · Don't Reinvent the Wheel: Learn from Others

#### 3. INVEST IN BEST USES FOR LONG-TERM RECOVERY

- Invest in Urgent Health and Economic Needs
- Prioritize Short-Term Investments w/ Lasting Benefits
- ID and Address Pre-COVID Inhibitors to Growth
- Measure Progress Throughout to Inform Ongoing Plans

# Changes between the Interim Final Rule and the Final Rule – you cannot "directly fund":

- X Deposits into pension funds
- X Contributions to reserve funds
- X Debt service

## Except for this:

✓ Non-Federal Match is now allowed, explicitly for IIJA/BIL programs, but also generally as it is included under **Section G., page 368 of the** <u>final rule</u>, up to the amount of the recipient's reduction in revenue; there is a new <u>Expenditure Category</u> for it − 6.2 Non-Federal Match for Other Federal Programs.

# What You CAN Spend \$

7.2 Evaluation and Data Analysis

territories only)

7.3 Transfers to Other Units of Government 7.4 Transfers to Non-entitlement Units (States and

## The Final Rule:

Same Expenditure Categories but broader uses with more granularity

EC is 3.4 and has been renamed

To be separately reported as part of

NEU/Non-UGLG module. Refer to Part 2

Effective Service Delivery

Section D.

# Why struggle with all those Expenditure Categories and reporting requirements when the Final Rule now allows you to do this....

# Take the \$10M Standard Allowance?

### Replacing Lost Public Sector Revenue

The final rule offers a standard allowance for revenue loss of \$10 million, allowing recipients to select between a standard amount of revenue loss or complete a full revenue loss calculation. Recipients that select the standard allowance may use that amount – in many cases their full award – for government services, with streamlined reporting requirements.

# Take the \$10M Standard Allowance\*!

\*Electing the standard allowance does not increase or decrease a recipient's total allocation.

# Expenditure Category 6 Revenue Replacement

- \$10 million standard allowance is for the entire performance period (through December 26, 2026)
- Recipients will make "a *one-time, irrevocable election* to utilize either the revenue loss <u>formula</u> or the standard allowance."
- The entire amount of a municipality's ARPA award may be claimed as lost revenue (for everyone except Burlington)
- Treasury "presumes" this amount is revenue loss there is no need to calculate/document it
- <u>EC 6.1 Government services</u> generally include any service traditionally provided by a government, unless Treasury has stated otherwise. Here are some common examples, although this list is not exhaustive:
  - General government administration, staff, and administrative facilities
  - Provision of police, fire, and other public safety services (including purchase of fire trucks and police vehicles)
  - Road building and maintenance, and other infrastructure
  - Health services
  - Environmental remediation
- Newly added is **EC 6.2** Non-federal Match for Other Federal Programs

## With the Final Rule... Much Remains the Same

#### Terms and Conditions still apply.

We are waiting on additional guidance to ensure there aren't any unintended potential pitfalls.

#### The message remains the same: take time, be patient, think bigger.

More grant opportunities are on the way for municipalities to consider:

- •State ARPA \$500 million will be appropriated in the 2022 legislative session
- •Infrastructure Investment and Jobs Act +\$2.2 billion for Vermont (over 5 years)
- •And more....

#### **Engage your community.**

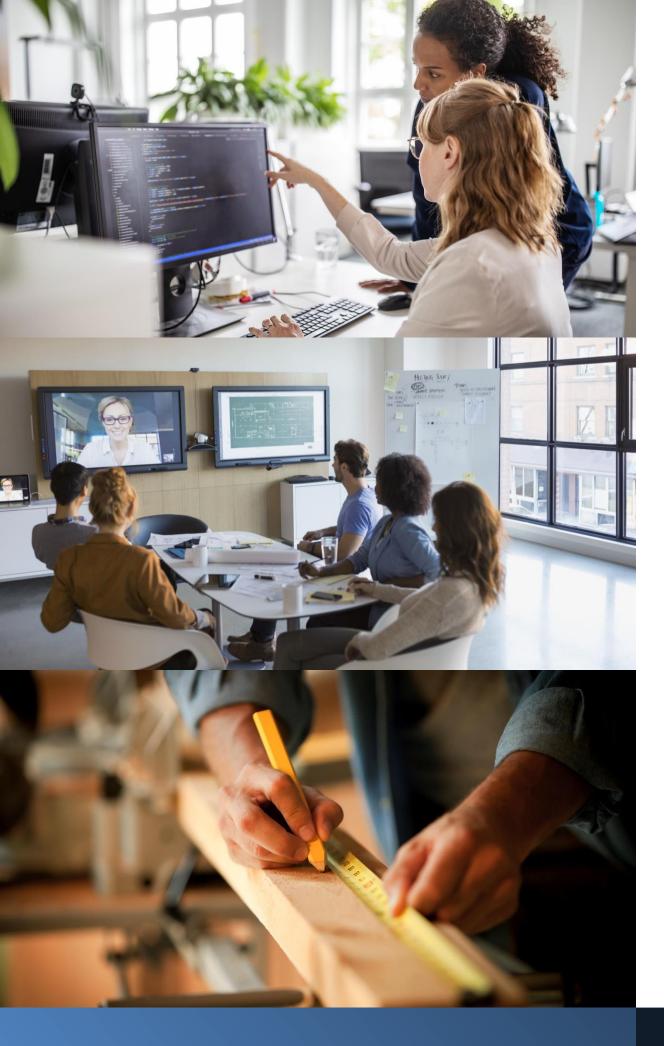

You no longer are scratching your head for ARPA eligible uses - your entire award just became discretionary money.

#### Play the long-game.

We waited a few months for the Final Rule, and it brought \$10 million of flexibility – worth the wait, right? Wait a bit more to see what other information will be released that provides more opportunities and less headaches.

## ARPA - Vermont

Based on the hundreds of municipal inquiries VLCT has received to date regarding local ARPA funding, here is a non-exhaustive list of items that many communities throughout Vermont are considering in their spending plans...

Investments to improve municipal business operations:

- Implement cybersecurity measures
- Purchase hybrid meeting equipment
- Connect public buildings to broadband, as appropriate
- Digitize land records
- Make capital improvements to municipal buildings: ventilation, weatherization, fire safety (as appropriate - sprinklers, centrally monitored alarm systems), code upgrades including ADA compliance and measures to ensure continuity of operations during future disasters
- Implement IT changes to streamline operations and enable remote work
- Create or enhance official town websites to strengthen communications with residents
- Create a formal Capital Plan
- Seed a town administrator position to source grant opportunities to help fund projects in your community and coordinate efforts between local officials for deep efficiency and impact

Investments that **revitalize a community**, making it a better and safer place to live for existing residents and to help in attracting new ones:

- Outdoor recreation (trails, parks, green spaces, recreational facilities, etc.)
- Diversity, equity, inclusion (DEI) measures to make a community more welcoming so everyone feels like they belong
- High-quality affordable childcare to support working residents
- Landbanking and other measures to support housing development to grow the tax base
- Acquisition and rehabilitation of abandoned properties to create green spaces
- Improvements to bike and pedestrian safety
- Improvements to community gathering spaces
- Support for local non-profits doing excellent work that benefits residents

 Survey

# ARPA – Vermont Public Engagement & Outreach

VLCT has seen communities hold dedicated selectboard meetings aimed at seeking community input, issue community surveys, and form ARPA advisory committees of interested citizens

- Examples from a few Vermont towns:
  - **Charlotte:** public meetings and a <u>webpage</u> to submit residents' input
  - St. Albans Town: working with neighboring towns to potentially pool funds
  - Jericho: ARPA <u>webpage</u>, survey, discussion forum, post ideas
  - Montgomery: Community Survey
  - Rutland Town: ARPA listening sessions
  - ARPA Advisory Committees: <u>Plainfield</u>, Craftsbury, <u>Richmond</u>, Fairfax, Lyndon, Norwich, St. Johnsbury, Westminster, <u>Westford</u>, <u>South Hero</u>, <u>Franklin</u>,

## **ARPA Advisory Committees**

Are they a great way to help gather information and community input, and share the work?

YES!!!

### Are they "public bodies"?

Yes. They are created by legislative bodies therefore they are public bodies.

### Do they have to follow **Open Meeting Law?**

Yes. The law applies to every "public body" of the municipality (see OML FAQ <a href="here">here</a>).

## Want to learn more about forming an ARPA Advisory Committee?

Yes! Check out VLCT's <u>ARPA Advisory Committee</u> <u>Formation Toolkit</u>

# Your ARPA Award

Continue To Be Patient.

Prioritize good governance.

Leverage your ARPA aid.

Invest in best uses for long-term recovery.

Your decisions should prepare your community for the next disaster, position future generations for success, and, whenever possible, help grow your Grand List.

As you make plans to spend your ARPA award, you might consider:

- Opportunities to leverage your ARPA award save some of your ARPA award to serve as match that will be necessary for other grant programs (both forthcoming new ones and existing ones) to achieve community goals
- Goals identified in your Town Plan to help prioritize your spending
- If carrying out infrastructure projects with your ARPA funds, what future planning can be incorporated into the project concept and design to achieve multiple priorities – like laying conduit for fiber, sidewalks, considerations for a future public water or sewer system, etc.

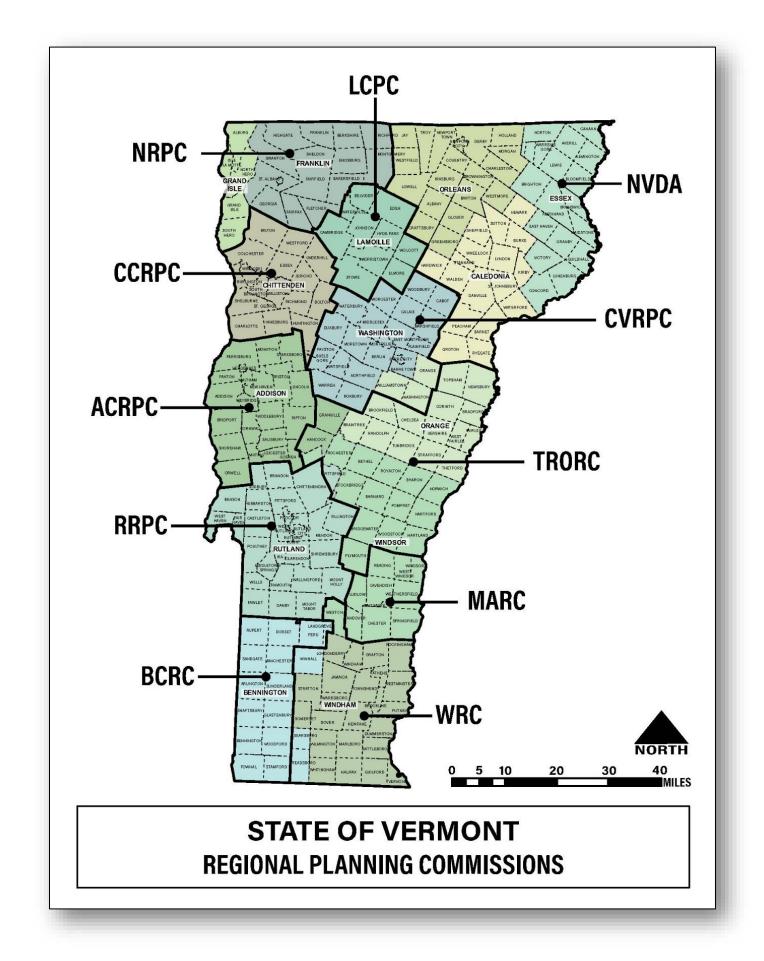

# ARPA Assistance and Coordination Program

- Guidance and project eligibility analysis
- Webinars, targeted trainings, technical assistance, best practices
- In-person and virtual meetings with local officials and staff
- Answer questions (arpa@vlct.org)
- Guidance with compliance, reporting, and transparency
- Collaboration/partnerships with RPCs, SOV, RDCs, statewide nonprofits, private consultants, etc. to ensure needs of municipalities are met related to project ideation, implementation and management
- ARPA resources webpage:
  - <a href="https://www.vlct.org/resources/american-rescue-plan-information">https://www.vlct.org/resources/american-rescue-plan-information</a>

## Regional Planning Commission Assistance

- Identify needs and top priorities for designing and building projects that are consistent with existing State, regional and local plans.
- Respond to inquiries on eligibility to facilitate local discussions among stakeholders on specific projects.
- Provide other assistance as needed from local communities in coordination with VLCT.
- Work with VLCT, regional development corporations, and private consultants working with municipalities to ensure needs of local communities are met, especially related to project development and management.
- For more information on the State of Vermont's 11 Regional Planning Commissions visit: <a href="www.vapda.org">www.vapda.org</a>
