

**Town of Northfield, Vermont
Northfield Energy Committee
Minutes for November 21, 2023**

1. Public Participation (Scheduled):
2. Approval of Minutes: 10/17/2023 6:40pm
3. Discussion:
 - EV Charging Station project update
 - Station is installed on Depot Square.
 - Awaiting final activation of the site from installer. (Bob will contact Town Manager.)
 - Final contract to VCRD was sent and accepted before October 31.
 - Discussion about updating public notification of site will occur at next meeting.
 - E-bike follow-up
 - Loco-motion no longer has funding to support a Northfield project.
 - Community Mountain Bike/Shaw Center
 - Ongoing investigation of this possibility is occurring. (Joe)
 - Other Energy Committee Updates
 - Outreach will be made to the Central Vermont Regional Energy Planning Commission to learn of possible collaboration possibilities with other area Energy Committees. (Bob)
 - Began discussion to clarify how to effectively reach our goals –to Inform Northfield citizens about energy efficient opportunities and ways to Promote possible steps toward a greener energy budget wherever possible.
 - At next meeting identify ways to engage more Northfield community members in these discussions. (Gail)
 - Next meeting—Transition Plan discussion.
4. Public Participation (Unscheduled)
5. Adjourn: 7:25 pm
