

Northfield Energy Committee

Agenda for May 23, 6:30-7:30pm

Location: Google Hangouts (<https://meet.google.com/mfj-wvr-hrv>)

1. Public Participation (Scheduled):
2. Approval of Minutes: (4/25/2023)—Minutes approved as adjusted. Revised copy is attached FYI.
3. Discussion:
 - a. EV Charging Station project update and next steps
 - Bob met with Town Manager Schulz.
 - E-V station equipment scheduled to be delivered this week.
 - Installation TBD, depending on coordination with electrician
 - Town Manager Schulz will coordinate those steps
 - b. Update on promotional material
 - Patrick will communicate our needs with Sarah.
 - Sarah Wolfe will be contracted at \$75/hour to develop poster and promotional materials.
 - NEC will receive digital file of the work to distribute, as needed.
 - Approval of Sarah's designs will occur at next meeting.
 - c. Summer E-bike discussion
 - The NEC is not currently part of the Locomotion 2023 campaign.
 - Gail will connect with Locomotion re: information for "Locomotion Library" option.
 - Joe will connect with Onion River Sports (Montpelier) and the Adaptive Bike Co. (North Montpelier) to determine other options for e-bikes in Northfield.
 - These reports will be considered at the next meeting.
 - d. Committee recruitment
 - A variety of techniques will be employed:
 - Hosting a Farmers' Market Table (Date TBD at next meeting.)
 - Posting Energy info on FPF
 - Including Energy info on the NEC Facebook page.
 - NEC will have a presence at the Sept. 19 Night on the Common event.
 - e. Proposed meeting facilitation rotation
 - Bob and Patrick and Joe will rotate NEC Meeting facilitation.
 - Patrick will facilitate the June meeting, scheduled for June 20 at 6:30 PM..
4. Public Participation (Unscheduled)—None
5. Adjourn 7:30 pm
