

Northfield Energy Committee

September 15, 2020

Present: NEC Members: Denise MacMartin, Ted Fisher (via Google Meet)

Public Participants: Patrick Meehan

There was no forum as Sarah Wolfe and Gail Hall were both unable to attend at the last minute. We welcomed Patrick, a new community member who wants to be more active in NEC. After brief discussion regarding rescheduling or conducting any pressing business by email the meeting ended.

Later, by email, the full committee agreed to meet at our regularly scheduled time in October (October 20, 2020 at 6:30 via Google Meet).

Respectfully submitted,
Denise MacMartin, NEC Secretary
